President Alfred Goozmer will attend for sure and we will see who else they will send. I met with the Council yesterday and they will decide next week. It will likely be someone from the IGAP program or someone from their lands dept

Good Morning

We look forward to the meeting scheduled for April 29th from 1:00 - 4:30

**at the Raven conference room on the 5th floor of the
Federal Building.**

**To discuss the Wetlands Determination and Functional Assessment with the Native Village
of Tyonek and Native American Rights Fund**

**This meeting will be a Government to Government meeting to impart technical assistance
to the Native Village of Tyonek.**

**The NVT would like to learn as much as possible about the Functional Assessment
methodology and also to learn what is already known regarding the Wetlands quality,
quantity and functions within the Chuitna Watershed.**

**Thank you for making the time to attend and offer your expertise to NVT and offer
important technical assistance.**

Best wishes

Rob Rosenfeld, MA / NARF Consultant
